

Jazbel Wang

Third Year Computer Science student

SKILLS SUMMARY

- Proficient in Turing, Java, Racket, C, C++, SQL, Bash
- Familiar with HTML, Javascript, jQuery, CSS, svn, git
- Developed creativity and design through art classes and experience in game and application design
- Excellent verbal and written communication skills; fluent in Mandarin

EDUCATION

- **University of Waterloo** Sept. 2012 – present (Expected Graduation: 2016)
Candidate for Bachelor of Computer Science
Psychology Minor (Software Engineering Option) – GPA: 3.7 (83.09%)
 - **Relevant courses:** Designing Functional Programs; Object-Orientated Software Development; Data Structures and Data Management; Foundations of Sequential Programs; Computer Organization and Design; Algorithm; Introduction to Database Management; User Interface; Numerical Computation; Operating Systems
 - Completed the **UW Student Leadership Certificate Program**
- **Richmond Hill High School - Ontario High School Diploma** June 2012
 - **National Advanced Placement Scholar** - Scored a 5 (Highest Score) on the AP Computer Science, Math AB, Biology, Chemistry, Physics Exam and a 4 on AP English and Composition/Literature

EXTRACURRICULARS ACTIVITIES

MATHEMATICS SOCIETY – Vice-President (Fall 2013), CS Representative	2012-Present
MATH ENDOWMENT FUND – Director (Fall 2014) and Board of Directors	2013-Present
MATHEMATICS ORIENTATION – Federation Orientation Committee	2014-Present
WOMEN IN COMPUTER SCIENCE – Lead Undergraduate Representative	Fall 2014
FEDERATION OF STUDENTS – Math Councillor and Committee Member	2013-Present
ST. JEROME'S UNIVERSITY RESIDENCE – Ambassador and Leader	2012-2014
WOMEN IN MATHEMATICS – Vice-President (Winter 2013/2014)	2013-2014
MATH FACULTY – Senior Math Ambassador	2014-Present

AWARDS

COMPUTER SCIENCE

- Richmond Hill High School Computer Science Award 2011
- Regional ECOO contest - 8th place 2012
- Canadian Computing Competition (Junior) - Top 25% 2011
- Regional ECOO contest - 6th place 2011

MATH

- Euclid Mathematics Contest, Canadian Senior Mathematics Contest - Top 25% 2012
- Fermat Mathematics Contest - Top 20% 2011

VOLUNTEERING

- Tutored the high school students in Computer Science and Science April-May 2012
- Volunteered for St. Jerome's University **Go Guatemala Initiative** February 14-24 2013
 - Spent ten days in **Nuestros Pequeños Hermanos** Guatemala, constructing a visitors' house
 - Developed a close relationship with the orphans and an understanding of the culture in Guatemala

WORK EXPERIENCE

- **Teaching Assistant** - Marker, Faculty of Mathematics – University of Waterloo Winter 2014/2015
